

DPL SEED LIBRARY

GREETINGS, DILLON GARDENERS!!!

Due to our short growing season, some plants need to be started indoors now, so the DPL Seed Library is making ALL of our seeds available immediately.

- * Seeds are Free
- * The seeds are all heirloom varieties
- *The seeds are available to Library Card Holders Only

Due to a limited supply, we are allowing each patron to request only ONE packet of a variety. For example you can get a packet of Black Hollyhocks and a packet of Yellow Hollyhocks, but not two packets of Yellow Hollyhocks.

Scroll down the page to see the different varieties. Seeds may be ordered by emailing us at dpldirector@dillonmt.org or by phone 683-4544.

Please keep track of your seeds with any notes on the variety on how the planting season went and if this variety is acceptable for our area. We need your help in making the Dillon Public Library Seed Library great and the only way to do that is to work together.

To request your seeds, please include your name, phone number, and the number in the gold or yellow circle of the packets you choose. Seeds will be gathered and we will call for a time for you to pick them up.

If you have any further questions, please call us at 406-683-4544.

Thanks and have a great day!
